Springs Forever

A billion gallons. That's how much life-giving water Marion County's 3 first magnitude springs churn out each day. Dive in as we explore the precious resource beneath our feet with **Mark Emery**, award winning filmmaker, musician, and photographer for National Geographic, BBC, and PBS .

We also welcome special guests **Margaret Ross Tolbert**, internationally renowned artist of the springs and author of **AQUIFERious**; and **Emily Taylor**, Executive Director of the Florida Springs Institute.

SPONSORSHIP

**A premier opportunity to support and be recognized
by Horse Farms Forever and leaders in the horse industry.**
